Forecast For East Midlands
Issued by Met Office Exeter
at 0400 on Wednesday 27 Oct 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Very mild, but breezy.

Today:
Very mild, dry and breezy again. Rather cloudy, especially near western hills, though some bright or sunny intervals breaking through at times, particularly in the south and east. Maximum temperature 16 deg C (61 deg F).

Tonight:
Conditions remaining similar through the evening and overnight, with strong winds and generally cloudy skies persisting across the area. Staying very mild however. Minimum temperature 12 deg C (54 deg F).

Thursday:
Staying mild, cloudy and breezy. Spells of rain are possible for a time into the evening but generally remaining dry. Maximum temperature 16 deg C (61 deg F).

Outlook for Friday to Sunday:
Conditions remaining unsettled and windy at times. Rain expected during Friday, and further spells of very wet and windy weather are likely during the weekend.
